Fresh Start Seminar - Friday, September 26 & Saturday, September 27

The Seminar

The trauma of divorce brings hurt and pain – as though our heart is literally breaking. For a while it seems that we can never put the pieces back together. With help and time, we begin to see the pieces coming together – one piece here, and another piece there as we pursue the path to wholeness. This seminar is designed to provide hope and direction for your life.

Is there life after divorce? We believe that not only is there life, but because of the divorce and God's grace, there are now new opportunities for growth and personal development. Please join us and find out how you can experience the rebuilding of your heart and life piece by piece.

The Program

The Fresh Start program combines educational lectures with small group interaction. We meet Friday evening for a time of getting acquainted. The rest of that evening and all day Saturday is a combination of talks by the scheduled speakers, small group interactions, elective sessions, and fellowship around our meals.

The Speakers

Bob and Janet Burns bring years of experience helping people rebuild their lives after divorce. Bob is a published author of several articles and books, a seminary professor, a pastor, and was the original founder of Fresh Start Seminars! His wife, Janet, is a professional counselor.
