Lesson 4: Praying Missionally

Begin using on October 2

1. When you pray who do you talk about the most, God, yourself, or others?

Read I Timothy 2:1-7

2. Who should we pray for? What sorts of things (*be general and specific*) should we pray for them?
3. What is God's ultimate desire? How is this desire connected with prayer?
4. Who do you find it difficult to pray for? Why do you find praying for that person difficult?
5. How can you use prayer as a way to share the gospel with those you encounter?
