Annapolis EP Youth Ministry

The Goal: To serve students and their families by providing opportunities to grow in the truth of the gospel.

The Purpose: Our aim is that our students and their friends would be welcomed, known, and cared for as they come to a greater understanding of the love of God in Christ.

"And I am sure of this, that he who began a good work in you will bring it to completion at the day of Jesus Christ. It is right for me to feel this way about you all, because I hold you in my heart, for you are all partakers with me of grace..." Philippians 1:6-7

Get to Know your Summer Interns!

Matt O'Neil
Birthday: 9/16
Student @ University of Tennessee
Enjoys: Sports (any and all) and all types of music
Why be a summer intern?
 Interns were influential in him coming to know God and growing in that relationship. He would like to serve in that way as well! He also really enjoys being a leader, getting to know students, and having fun!

Dakota Lueck
Birthday: 8/11
Student @ Geneva
Enjoys: Outdoor activities, reading, writing, listening to music, and crocheting or knitting.
Why be a summer intern?
 She remembers how much her interns poured into her life and she wants to do the same!

Carolyn Hoehner
Birthday: 3/17
Student @ James Madison University
Enjoys: Touring with her Dance Company, reading, writing, organizing events at her school, and adventuring in the outdoors.
Why be a summer intern? She wants to influence others in truth and the love of Jesus, help students know Christ, and looking back wishes she had more people influence her in that way when she was in high school.
