

# *EPHEM OPERATION*

EPHEM conducts a pre-enrollment meeting with the parents in August to kick off the school year and explain the umbrella program.

Each member family is assigned to a reviewing couple who:

: Is a member of EPHEM

: Has had at least three years experience in homeschooling

: Has homeschooled the approximate grades of the children whose families they are reviewing

**HOME VISITS:** The reviewing couple makes two [2] home visits; fall and spring.

During the **FALL VISIT** the family is expected:

: To show the curriculum they have chosen and provide a list of that curriculum to the reviewing couple

: To show the record keeping system they will be using to document work done and attendance

During the **SPRING VISIT** the family is expected:

: To show samples of the children's work in all the subject areas

: To show the records they have been keeping

In addition the reviewing couple will contact the families by phone in January or February to check on progress.
