Lesson 10: I Am Holy

Begin using on July 31, 2016

1. Have you ever told a child that they are good at something, when they are objectively bad at that thing? Explain. Why do we say things like that? What is our motivation or desire in statements like that?

Read I Peter 1:15-16, Leviticus 19:1-18, and II Corinthians 5:21

2. According to these passages, what is the standard of holiness? The reason for holiness? The way to holiness?
3. Think through the commands given on Leviticus 19. Are you living up to the standard of righteousness laid before you? How is II Corinthians 5:21 comforting in light of this?

Christ who is perfectly holy, became sin, so that my sin could be dealt with and I, who am sin, could become perfectly holy.

4. Though I have been called holy, I have also been called to be holy. What things do I need to repent of? (*Remember, I am to compare myself to God not to other people.*) See the Cross Chart on page 22.
5. Think about Leviticus 19:9-18, which shows us how to love our neighbors as ourselves, What are the present day implications of these commands? (*Think specifically through the commands. For example, verses 9-10 can be understood to encourage me to budget money for freely loving others. To not budget to the last penny allows me to “leave some for the poor.”*)
